***John Billetz, Executive Director  
Idaho High School Activities Association***

*“IdahoSports.com’s greatest accomplishment is providing the IHSAA a means to web cast state tournament competition on the Internet. This type of broadcast allows family, friends and community members to view and hear IHSAA state tournaments, not only in Idaho, but all parts of the USA and the world. They also provide an opportunity for family members and friends who are unable to attend in person to watch the games live. This project is indeed a huge service to the member schools of the IHSAA and their support groups.”*

***Will Hoenike, Dir. of Media & Comm. Relations  
Idaho Steelheads/Qwest Arena***

*“When I moved to the Boise area in 1997, I didn’t know much about Idaho high school athletics. That’s a problem considering the job I was soon to hold - weekend sports anchor at KIVI-TV (the ABC affiliate in Boise). Scores, schedules, and information ... it didn’t take me long to learn about schools from around the state, not just District III. Much of what I know now grew from the tools available at IdahoSports.com and I still check the site on almost a daily basis.”*
